

Get Mushrooms to Help With Your Yard Work!

Interested in mushrooms? Want to know more? Just like how they taste?
Want to make a difference reclaiming a former NE Portland landfill for community use?
If “yes”, please join us for this FREE event.

No experience necessary. Bring mud-friendly shoes/boots and dress for the weather.

Sunday, April 5th, 2015

Myco-remediation workshop 1-3 Free workshop that will teach you how to cultivate and use mushrooms to breakdown contaminants in soil or water and improve habitat and soil structure.

Hands on demonstration 3-5 Put your newfound knowledge and skills to use, assisting in the remediation of a former landfill.

Picnic dinner and party 5-7 Enjoy the company of your fellow fungo-philes; bring a dish to share or offer a donation for dinner.

Location: 85th and NE Siskiyou, Portland, OR 97220.
(Parking on-site; contact staff@dharmarain.org for more info).
